NUIE SHOWER TRAYS

FEATURES

- Easy to fit - flat underside making installation and leveling easier
- Made of the patented 'Pearlstone Matrix' making the range one of the strongest and lightest available
- Acrylic capped and constructed from a polyurethane resin mixed with filler including volcanic ash
- Lifetime Guarantee against manufacturing defects
- Sizes up to 1200mm come with 90mm corner waste hole
- Low profile - at just 40-45mm high
- The Pearlstone Matrix has screw retention so that the feet from the leg set (sold separately) can be screwed directly into the base.
